# FAQ

## **WHAT IS YOUR MAXIMUM CAPACITY?**

We allow a maximum of 200 guests for an event in our barn. However, should you desire an event with more guests, we have space for a tent that you could rent at an extra charge.

## **HOW LONG CAN WE BE ON YOUR PROPERTY?**

The time allowed on our property before and during your event will be decided per client based on their particular needs. Our approximate time limit is 8 hours, allowing time to decorate before the event. However, the time limit might need to change depending on client's wishes and other bookings we might have that week/weekend.

## **DOES YOUR BARN HAVE A/C OR HEAT?**

No, our barn is not equipped with A/C or heat. However, we can provide fans, cooling units, and heaters, should you need them, for an additional cost. Though our beautiful barn allows for protection from the elements, it is best to view our property as an outdoor venue, meaning the heat or cold will play a role in your day. No matter the temperature and weather, we will do whatever we can to ensure your comfort and happiness on your special day!

## **CAN I HIRE MY OWN CATERER, DJ, ETC.?**

Yes! Sugar Creek Silos permits you to find your own vendors for your event. This means we do not have any minimums for food, beverage, etc., allowing your event to be more cost-effective and meet your individual needs. ALL outside vendors MUST be approved in advance by SCS staff so we can coordinate with them for your event. If you need suggestions, we can recommend to you our own premier vendors.

## **DO YOU HAVE BATHROOMS? DO YOU HAVE A BRIDE AND/OR GROOM SUITE?**

We have a deluxe restroom trailer that is equipped with one men's stall and two women's stalls. These are clean and attractive restrooms that will suit your guests' needs comfortably.

We also have a newly renovated bridal suite and a small separate building for the groomsmen to store their things.

## **WHAT IS YOUR ALCOHOL POLICY?**

If your food vendor does not have a supplemental liquor license, you may choose from one of our list of liquor distributor vendors. Absolutely NO alcohol is allowed to be brought on our property at any time before, during, and after the event by you or your guests. See contract for full rules and regulations regarding our alcohol policy.

## **CAN I BRING MY OWN DÉCOR?**

You may bring your own décor to use in our barn, but it must be approved by SCS staff in advance. You are also free to use any of our vintage furniture and décor.

## **HOW DO I BOOK A DATE?**

A date cannot be booked until you have had a tour of our facility, signed a contract, and given your deposit. Only after these three things have been completed can we guarantee the booking of your event date.
